

## Privacy Policy

Share is committed to maintaining the privacy of our web site visitors and donors through upholding the confidentiality of your personal information. Share does not sell, rent, share or trade information regarding our donors or other contacts including volunteers and clients.

The personal information you provide is solely utilized to process and receipt your donation, to register your attendance at an event or meeting, or to respond to any of information requests you may have. All personal information provided to Share is stored in databases located on servers which are behind firewalls. Donations made through our Web site are encrypted. Donor anonymity will be respected if requested and where applicable. Upon request, Share will allow you full access to your information and we will maintain its accuracy according to your instructions.

Share does not maintain a visitor log for our website nor do we attempt to track individuals in any manner and we do not link the web information to any other databases with the purpose of identifying individual website users. We do not deposit any "cookies" in an attempt to gain information about website users.

Share strives to keep donors informed about how donations are used and their importance for continuing our programs. We send several mailings a year to accomplish this and include a donation envelope to invite financial support. Most Share supporters want to receive all of our mailings and newsletters. However, you may opt out of any and all mailings by contacting us with your request.
